Conheça o estúdio

Founded in 2009 and under the direction of Ana Stewart, Bruno Veiga and Isabel Amado, Galeria da Gávea presents a current scenery of the contemporary and emerging Brazilian photography. Around five exhibitions – solo and group – are showed per year, emphasizing curatorial research based in great aesthetic rigor. To promote the production of its artists, the gallery search to straight its relationship between photography and the visual arts circuit. Furthermore, it is also a plataform of exchange and difusion of ideas with developments into fairs, talks and publications releases. Besides its fourteen permanent artists represented in Rio de Janeiro, the gallery has also a collection with works from other artists kept in strict conservation standards.
